409.4 Planning on Units that Cross a State, County, or Field Office Boundary.

(a) NRCS assistance on an individual land unit that crosses a State, county or field office boundary is the responsibility of the field office where the headquarters of the land unit is located. Conservation planning will be consistent with the Field Office Technical Guide covering the area where the land unit is located.

(b) For assistance to groups or units of government on a land unit that crosses a State boundary, the State Conservationists, in consultation with the client, will determine by mutual consent which State will have the lead responsibility for providing planning and other technical assistance.
